

## **MESSAGE FOR PARTICIPANTS**

**(MESSAGE CARD TO BE PLACED ON BUFFETS)**

### **THIS EVENT DOES NOT WASTE FOOD**

This food has been prepared carefully and with quality ingredients. Please enjoy it, serving yourself only the amount that you think you will eat. If you wish to, you can always go back for more. In this way, if there is any leftover food, we can collect it and send it to a charity soup kitchen.

Thank you for your co-operation and enjoy your meal!
